## Canadian Renewable Energy Association Events Roadmap 2021

Please find below CanREA's events roadmap for the year 2021 that will provide education and information sessions, along with networking and collaboration opportunities.

For all upcoming events that are now live, [take a look at our website](#). For events that are still under development, please contact [events@renewablesassociation.ca](mailto:events@renewablesassociation.ca), if you have any questions.
