Exhibitor opportunities

CanREA Operators Summit

More than 300 professionals from across Canada gather each year for CanREA's national Operators Summit, the largest conference and exhibition devoted to the operations and maintenance of Canadian renewable energy and energy storage sites. Top leaders, innovators and experts spend two days together, networking and discussing the latest advances in wind, solar and energy storage operations.

This event offers sponsorship and exhibition opportunities. Please refer to the sponsorship brochure for more information.

Exhibitors	CanREA members	Non-members
Returning exhibitors	\$3,000	\$3,500
